

The GSA Purchasing Solution saves schools money, improves access to quality products and services, and simplifies purchasing

Schools save money on everyday purchases to better invest in student success.

- Save an average of 20% when purchasing through the Alliance
- Receive the same or new products at better prices
- Benefit from collective purchasing power to make quality more affordable

Schools maintain or improve the quality of products and services.

- Improve previously sacrificed quality with the flexibility to try affordable and comparable items
- Get support in starting or continuing to explore affordable sustainable products and services
- Purchase high quality items for classrooms, offices, grounds, food service, cleaning purposes, and more

Schools gain a purchasing process that's easy to use and implement.

- Access an online platform that streamlines procurement to reduce waste
- Gain cutting-edge procurement practices and reliable vendor relationships
- Get support while getting started with the GSA Purchasing Solution
